Client Certification and Public Workshops

PROGRAM	DESCRIPTION	TARGET AUDIENCE
Facilitator Certification Process Workshop 	DDI's four-day Facilitator Certification Process: Developing Extraordinary Facilitators (FCP) prepares participants to train others in DDI's suite of world-class learning programs (Interaction Management®). The knowledge and skills acquired through this workshop will ensure that you maximize every learning and development investment.	Anyone responsible for delivering DDI training, including experienced professional trainers, frontline leaders, and team members
Targeted Selection® Interviewer Workshop	The Targeted Selection®: Interviewer workshop provides a structured, replicable approach to interviewing by developing the skills your people need to interview confidently, gather data that accurately predicts future job performance, and evaluate candidate information to make the best selection decision.	Leaders, managers, and others involved in interviewing
Targeted Selection® Trainer 	This workshop will develop the skills trainers need to facilitate Targeted Selection®: Interviewer (Classroom), Practice Lab, Strong Start®, Targeted Selection®: Interviewing for Technical Skills, and Targeted Selection®: Coach training. Participants are awarded trainer certification following the successful completion of the workshop.	Individuals responsible for training Targeted Selection® interviewers and coaches
Targeted Selection® Program Manager	This course is designed to provide learners with an awareness of what is needed for a successful Targeted Selection® implementation, including the decisions that need to be made, the questions to ask, and the people to involve.	Leaders, managers, and others involved in establishing a consistent, accurate hiring system in the organization
Success Profiles Foundation	The program helps new job analysts learn how to design and plan a Success Profiling SM process. They will gain the skills necessary to identify the required competencies, personal attributes, knowledge, and experiences for a target job, role, or family of jobs, while understanding common legal requirements and avoiding common pitfalls.	New HR Professionals or Job Analysts
Success Profiles Analyst Certification 	This session equips individuals in your organization to facilitate the process efficiently and effectively using DDI's Success Profile's Card Sort process.	New HR Professionals or Job Analysts
Strategic Leadership Experience®	Strategic Leadership Experience® is an immersive development program to prepare operational leaders for the unique challenges and demands of moving into senior strategic leadership. It provides a leadership simulation in which participants see outcomes of crucial business decisions.	Leaders moving from operational to senior strategic roles, high potential leaders or aspiring senior leaders
Performance Consulting	This workshop gives HR professionals immediate, hands-on experience with the skills and tools they'll need to become effective internal consultants and help drive organizational results.	Human resource, organizational development, and learning and development professionals
